INFORMATION WANTED,

OF A CHEST marked G. E. P. T. which was stored on board the ship WILLIAM IVY, at Sacramento City, on the 24th of September, 1849, for one year, but was sold with other goods, on the 25th of May, or 27th of August, 1850, by J. B. Starr, Auctioneer. The said chest was the property of George E. P. Tyson, who died at Bidwell's Bar, Feather River, on the 27th of October, 1849. The above chest contained many articles of value, such as clothing goods, books, watches, &c. among them a journal kept by G. E. P. T. of the voyage of the shooner A. Emery, from New York to San Francisco, some Daguerreotypes, a pocket bible, (presented by his sister Elizabeth) valuable only to his parents and friends as a memento of him. If this should meet the eye of the person having possession of the above chest, or a knowledge of it, and will forward the journal, miniatures and bible to Jonas Winchester, San Francisco, or Richard H. Stanley, Attorney and Counsellor at law, on J street, 3d door above Third street, Sacramento City, will confer a lasting favor on the parents of deceased, and a reasonable compensation given if required. WILLIAM TYSON.

UNION HOTEL.
PORTSMOUTH SQUARE, SAN FRANCISCO., CAL.

THIS ESTABLISHMENT IS NOW OPEN for the reception of guests, under the management of Isaac M. Hall, late of the Eagle Hotel, Rochester, N. Y. The building is of brick, entirely fire proof, fronting on Portsmouth Square, and extending back on Merchant street, 160 feet. There are 100 Rooms, all finished and furnished in modern style, with stove and other bed room furniture complete, and a bell communicating with the office. The Dining Room will accommodate 150 persons, and the well known talent of Mr. Hall, in this department, will be sufficient to warrant it the most inviting of the house. The proprietors confidently entertain the hope, that this enterprise, involving at least $200,000, and their efforts to present a hotel containing every comfort afforded by a first class house in the Atlantic States, will meet the reward of Public Patronage.

A. A. SELOVER, of Ohio,
JNO. MIDDLETON, of Pennsylvania,
E. V. JOICE, of New York.

THE LOS ANGELES STAR,

WE PURPOSE publishing on the 7th of April next, at the city of Los Angeles, California, the first number of a weekly newspaper, to be called the LOS ANGELSE STAR, AND SOUTHERN PIONEER.

The importance which the southern portion of the State of California has already assumed, has rendered it necessary that there should be established in it a newspaper which shall represent the interests of the residents of that region. The tide of empire which has already flowed Westward until it has been stayed by the surges of the Pacific, is now turning in a Southerly direction, and the rich agricultural and mineral resources of Southern California are rapidly being developed by American enterprise.

The STAR will be devoted to the spread of American principles, the interests of our State generally, and particularly of its Southern portion. While we shall endeavor to maintain in its conduct an independence which should characterize the American press, we shall at the same time make our paper the supporter of the direct interests of the community in which it is published. We trust, however, to make it of interest not only to the immediate region of its publication, but to the State generally.

A prominent feature of the STAR will be that a large portion of the editorial and other matter will be printed in the Spanish language. As yet there is no paper in the State devoted in any degree to the interests of the native population of California, or printed in a language which they can read.

The editors of the STAR have been for many years connected with the Press, and one of them has resided in California nearly five years, and is intimately acquainted with her history and her people. Mail arrangements are nearly completed, by which our paper can be sent regularly to all parts of the State. We shall print a fair-sized sheet, and are in possession of the material to enable us to exhibit a neat typographical appearance. The terms of the STAR will be $10 per annum, payable in advance.

SAN JOSE. SAN JOSE.

BERFORD & CO'S LINE
OF EXPRESS MAIL STAGES,
HALL & CRANDALL, PROPRIETORS,

ARE now running every morning to San Jose, leaving Breford & Co's office, in the Plaza, at 8 o'clock, A. M. and the City Hotel, in San Jose, at 7 o'clock, A. M.

☞ The reduced rate of fare puts it in the power of every one to visit the beautiful and healthful valley of Santa Clara. There is no more charming drive in California than that from San Francisco to San Jose, and as one is whirled rapidly through the oak openings and across the level plains under the skilful driving of Professors Dillon or Crandal, who drive their own coaches, he finds that pleasure is united with business, and wonders he has never made the trip before.

The great advantage this line possesses over all others, is that the Stages were bought expressly for the road, and with a particular attention to SAFETY, while the drivers, who have served a long apprenticeship from New England to Mexico, make the QUICKEST time and NEVER MEET WITH ACCIDENTS, which are so likely to occur with the old fashioned stage coaches. We invite our friends to give the line a trial. n7tf BERFORD & CO.

NOTICE TO SHIPMASTERS.

CUSTOM HOUSE,

Great Whig Ratification Meeting!

The Whig gathering at the California Exchange, last evening, for the purpose of ratifying the nominations made by the City Convention, was large and enthusiastic. The immense room was filled, and the meeting was organized by the appointment of the following officers:

President—Gen. JAMES WILSON.
Vice Presidents—ALFRED WHEELER
JOSEPH SHANNON
ALEX. G. ABLE
T. J. CHAMBERS
JAMES B. HUIE
EDWIN H. BRYANT
CHAS. BROWN
W. H. WHITE
GEO. N. SHAW
D. H. HASKELL
J. D. HAWKS.
Secretaries—F. VASSAULT
SAMUEL FLOWER.

On taking the chair, Gen. WILSON remarked that the object of the meeting was the ratification of the Whig nominations. There were many unfamiliar faces present, and his voice was unknown, but he would assure all that he was a Whig—a George Washington Whig, a John Hancock Whig, and a true Whig. The municipal affairs of our city had been badly managed, and a change was greatly needed, in order that our city government might once more be placed in a healthy condition. So far as his acts could aid the nominees, they should go to the fullest extent. He urged upon every Whig the necessity of uniting cordially, and to a man, upon the ticket presented, as that was the only way in which so desirable an end could be secured.

The speech througheut was listened to with attention, and at its conclusion enthusiastically applauded.

The President then introduced to the meeting CHARLES J. BRENHAM, the Whig candidate for Mayor, who was received with gratifying demonstrations of favor, and who remarked, that if he was elected, he should know no party or sect in the discharge of his official duties. The interests of all, of the city, should always be consulted. He was in favor of a reduction in the expenses of the city government, and was opposed to paying the exhorbitant salaries of municipal officers. The glaring abuses of the past in the contract system, should be reformed, and if honored with the proud position for which the partiality of his friends had named him, he should endeavor to effect a change. But whilst he was in favor or these and other reforms, he was nevertheless a true and unadulterated WHIG.

The speech of Mr! Brenham, of which we have given but an idea, was warmly received, and followed by R. H. WALLER, Esq., the candidate for Recorder, and by Col. DAVID S. TURNER, who addressed the meeting in an able and eloquent manner, urging the Whig party to do their whole duty in the approaching contest, and the result would be such as could not but have a mighty influence throughout the State.

Mr. W. W. SHEPHERD being introduced, said he was a captain, corporal, or a private soldier in the great Whig army, and should sustain and work for every man whose name was on the ticket. With a united and concentrated effort, the Whigs could sweep the city. They had nominated a ticket worthy of being elected, men of sound judgment and ability, and if we wonld all go to work, the sun on election day would set upon a glorious Whig victory.

Col. WAINWRIGHT then read a letter from Mr. JOHN S. POWERS, declining to be a candidate for City Marshal, which was received with three cheers. Mr. P. then came forward and stated that he had been denominated a "suspicious character," but he was a Whig, and always had been, a real California Whig, ready to buckle on his armor and do battle for the glorious cause.

In answer to loud and repeated calls, Col. H. C. MUDD came forward, and in an eloquent and forcible manner, urged upon the Whig party, union, harmony, concession and concentration of effort. He had been told that there were but few Whigs here, but this meeting gave evidence not only of the falsity of this remark, but that the friends of reform in our city government, of an economical administration of our municipal affairs, were thorougly awake to the importance of the contest upon which they were just entering.

Col. Mudd was followed by Col. IRWIN, F. M. PIXLEY, Esq,, G. F. NOYES, Esq., and others; but the late hour at which the meeting adjourned, forbids an extended report of each address, this evening. The best of feeling was manifested, and with three cheers for the ticket, and three rousing ones for success, the meeting adjourned.

The Locofoco Ticket.

The locofoco party are not a little disappointed in the ticket presented by the Convention, on Thursday evening. The nomination of Mr. TILFORD for Mayor took the friends of the other candidates quite aback. Mr. KOHLER was to have been the man, but in order to throw him overboard, his opponents, at the eleventh hour, induced the Recorder to consent to the use of his nnme, and the trap succeeded. This may have been shabby treatment, but we suppose the usual party tactics, in which the locofoco leaders are so well versed, will make it all right, and the friends of the defeated candidate will huzzah loud and long for the gentleman who floored their opponent. Mr. Kohler may pocket the insult as best he can.

After a hard struggle, Mr. FALLON is again on the course for Marshal, and will move heaven and earth to secure an election. Although we hit him rather sorely on the morning of the Convention, he is now fair game, and must expect no quarter. His official acts are fair subjects of criticism. The serious charges made against him will be investigated, and if found to be true, [illegible] will as certainly be defeated as the election is held.

Then there is DENNIS MCCARTHY, of the old dynasty, who is again in the field, and his street contracting, scrip-jobbing arrangements, will be closely inquired into. A combination of the present *ins*, against all others, secured the namination of four of them---Messrs. Tilford, Fallon, McCarthy and Scott. The others are not generally known, and some of them never heard of in the street, until this nomination was made. If the people are satisfied with the past "rule and ruin" system of city affairs, they should unanimously elect the men we have named above. Robbers never were bolder than they have been since the present police regulations were established, and we congratulate our Locofoco friends on their attempt to continue them under the same head.

Before the election comes off, we shall have ample time to discuss all these questions, and shall do so in a spirit of candor and frankness.

Common Council.

This body met last evening, pursuant to previous notice. The Committee who were appointed to examine into the affairs of the City Hospital reported that the officers were free from charges and should be exonerated. The report was accepted. The Market St. Wharf had been contracted for by the authorities and referred to the council. The subject was referred to the street committee. The result for Inspectors at the next election were as follows:

FIRST WARD.—Judge, E. T. Batters; Inspectors, James Bowman, T. G. Hubbell.

SECOND WARD.—Judge, E. L. Sullivan; Inspectors, B. E. Holland, John Nelson.

THIRD WARD.—Judge. Pulaski Jacks; Inspectors, H. C. Van Wyck, Morgan L. Mott.

FOURTH WARD.—Judge, K. Root; Inspectors, H. P. Carr, A. A. Pollard.

When the joint convention had proceeded thus far, in the election of Inspectors, three of the Loco Foco Aldermen, for some unaccountable reason, walked out, leaving the Convention without a quorum, so that the appointments for the remaining Wards was necessarily deferred until Monday evening. Locofocoism is guilty of some very strange freaks.

THE DRAMATIC MUSEUM.—Each evening this popular place of amusement is crowded with ladies and gentlemen. We spent a very agreeable hour there on Thursday evening. "Peter Spyke," by Mr. Evrard, and "Gertrude," by Mrs. Mestayer, in the laughable farce of "Loan of a Lover," was admirably sustained, as well as "Swyzel," by Mr. Vinson. Dr. Robinson, as "Peter Strap," and Mrs. Evrard, as "Nancy," in the "Pleasant Neighbor," kept the house in a roar of laughter. The personations were admirable; indeed the whole performance throughout was creditably done, and we venture to predict a successful season for the enterprising proprietors. We know of no place in town where an evening can be more pleasantly spent.

Auction Sales To-day.

Lafitte & Co, at 10 o'clock, rigging, spars, groceries, provisions, &c.

Cobb & Co, at 11 o'clock, fruit trees, vines, &c.

HEAVY DAMAGES.---It will be recollected that about three weeks ago, Ald. Middleton assaulted R. A. Wilson, a lawyer of this city, on Merchant street, and castigated him severely. Wilson is constitutionally a weak and impotent man in point of physical powers. He brought a suit against the assailant before the Superior Court, and claimed $20,000 as damages. The cause was yesterday tried before Judge Murray and a jury. The cause was eloquently and ably argued by Mr. R. A. Lockwood for plaintiff, and Botts, Campbell and Emmett for the defendant. The jury, after being absent but a short time, rendered a verdict in favor of the plaintiff, and assessed the damages at $3000.

IMPORTANT SALE.—The agriculturists and horticulturists are particularly directed to the sale of Messrs. Cobb & Co., at 10 o'clock A. M. Their sale comprises some of the best and choicest graftings of the apple, pear, peach and other fruit trees. Persons interested should give them a call.

Postage Charges.

We recived the following communication some days since, but have inadvertently withheld it until now from the public. We publish it with no view to charge the Postmaster of this city with illegal or improper conduct, for we would hope, although these statements are vouched for on reliable authority, that there is some mistake or misapprehension. Such charges as are here alluded to, unless we are grossly in error, are not sanctioned by law; and if they are imposed, it is an exaction which should meet with certain and unqualified rebuke. No matter where the blow might fall, nor what public officer might suffer in public opinion, under such a condition of facts, we should feel it to be our imperative duty to speak plainly and promptly. With no wish, therefore, to cast undeserved censure, or to prejudge the conduct of any one, we respectfully direct the attention of our Postmaster, and of the special agent of the post office department, Mr. GOGGIN, to the statement annexed:

PLACERVILLE, April 1, 1851.

Editors of the Pacific News:

By publishing the following statement you will oblige nearly the whole mining population, whose letters are sent from the Atlantic States to San Francisco and Sacramento: The Postmasters in those cities refuse to forward such letters to other offices in the State, although requested by the other Postmasters to do so. Whether they are justified in their refusal or not, I do not know, but the consequence is, that the miner can now only receive his letters through express agents, very irregularly, and with the following charges on each letter:

One dollar to the Express; twenty-five cents for the clerk in the postoffice who takes the list of the express agent, and the forty cents postage, making each letter cost the miner one dollar and sixty-five cents. I speak positively of the charges on letters delivered at Placerville, a town only fifty miles from Sacramento, and connected with that place by a good road. And I am informed that all other sections of the mining districts suffer equally. VERITAS.

A GOOD BUSINESS.---The verdict of $3000 given yesterday, for horse-whipping a man in Merchant street, may induce competition in that line of business. We would advise those who wish to make a "pile" without much trouble, to stand at the corners and invite flagellations at the same price, and if thought too high, underbid the present rate. Two or three whippings would make a man comfortably off for a life-time.

COST OF OUR ARMY AND NAVY.—In the last sixty-five years, it is estimated, on the authority of official documents, that our military establishments have subjected us to an expense of at least $950,000,000. The Navy has cost about $80,000,000 more, and yet the talk at Washington is that we should still further increase the Army and Navy establishments with the increase of territory and growth of country.

VERY LONG PASSAGES.—Capt. Peterson, of the bark R. H. Douglass, at Baltimore, from Rio Janeiro, reports the arrival there of the bark John A. Taylor, Martin, in distress, *three hundred and eighty-three days* from Wilmington, N. C. bound to California. Also, of the ship John N. Gossler, Sage, *one hundred and fifty days* from Philadelphia, bound to San Francisco.

SEVENTH WARD ALDERMAN.—We are glad to announce that the friends of GEORGE ENDICOTT, Esq., have prevailed on him to accept the Whig nomination for Alderman of the Seventh Ward. No more worthy or popular man could be selected.

THE JENNY LIND.—The new French Vaudeville Company, under Mons. Munier, will will perform at the Jenny Lind Theatre tomorrow evening, They are said to be capital performers.

CALIFORNIA LEGISLATURE.

[REPORTED FOR THE PACIFIC NEWS.]

April 17th, 1851.

IN SENATE.—Mr. Lippincott, from the Committee on the State Prison, to whom was referred the memorial of M. G. Vallejo, proposing to anticipate the donation to the State by him of $20,000, for the building of a State Prison, reported a bill in accordance with the objects prayed for by the memorialists.

The Senate then resumed the consideration of the bill to regulate proceedings in civil cases in the Courts of Justice in this State, and having further amended the same, the bill was read the third time.

The question then being on its final passage, it was decided in the negative.

On motion, the vote just taken was reconsidered, and the bill was laid on the table for the present.

On motion of Mr. Lippincott, the Senate adjourned till 7 o'clock P. M.

EVENING SESSION.—The Senate assembled at the expiration of the recess.

The bill concerning sheriffs was taken up, amended, and laid on the table temporarily.

The bill supplementary to the act concerning the office of County Recorder was laid over till to-morrow.

M. De la Guerra moved that smoking and chewing be prohibited within the bar. Agreed to.

On motion of Mr. Douglass the Senate adjourned.

IN ASSEMBLY.—Mr. Bennett, from the Committee on Education, reported a bill concerning Common Schools and Public Instruction.

Also, a bill supplementary to an act to regulate the estates of deceased persons.

Also, a bill donating swamp and overflowed lands to the Common School Fund.

The bill was read the first and second times by title, and ordered printed.

Mr. Hall, from the Select Committee, to whom had been referred the bill concerning trespasses on the mining lands of the State, made a report, recommending the indefinite postponement of the bill.

The report was adopted.

Senate bill concerning officers was read the first and second times.

The House then took up the special order of the day, viz: the matter of the impeachment of the Hon. W. R. Turner, Judge of the Third Judicial District.

The reading of the testimony in the case was commenced and proceeded with until quarter before two o'clock, when, on motion of Mr. Hoff, the House adjourned until the usual hour in the evening.

EVENING SESSION.—The reading of the testimony in the Impeachment Case was resumed in Committee of the Whole.

At the conclusion of the reading, Mr. Field opened the argument on the part of the prosecution.

At 10 o'clock, on motion of Mr. Bigler, the Committee rose and the House adjourned.

A NOVEL COMMUNICATION.---There is a great, burly, big, Sampson-looking, crazy Dutchman, who works around the station house of the 2d district, for his board and lodging, and who makes it a point to get drunk whenever he can find enough liquor. A day or two ago he got on a spree, and became so exceedingly disorderly as to make himself a special subject for the care of the police. On the next day, after partially becoming sober, he addressed a note to the Recorder, which is very quaint and singular in style. The communication will probably be referred to some higher tribunal for adjustment. We insert it as follows:

San Francisco, April 18, 1851.

RESPECTED SIR:—Meanwhile I am amusing myself down here, after a dance and spree, I hope you'll be kind enough to see me paid for done services from the 15 of Feb. to the 1 April, which after my reckoning amount to $45 Am. Coin. If I had not lost your friendship you might have given me the sum in cash and not in skrip—although you might manage it yet. I am going to commence an honest trade up and across the river with beef and game, if I can get it to go, which I hope. Boats are pretty low in price, and I can row and sail as long as any living soul can ride the waves. I am the boy? Be so kind to see this matter in order if you please. Your obedient,

JACOB BERTRAM.

To his Honnor Recorder Tilford.

PROGRESS OF MISSIONS.—The number of missionaries employed in heathen countries by the various denominations of evangelical Christians, the *Journal of Commerce* says, is believed to be no less than 1500. Including their assistants, native and foreign, the number will exceed 7,800. It was recently stated by Rev. Dr. Anderson, of Boston, that there was contributed in this country, during the past year, for foreign missions, an aggregate of $740,000, For home missions, including church edifices, the support of preaching, etc., there has been expended nearly $9,000,000. Connected with these denominations, in the United States, are 3,000,000 church members, 29,000 churches and 23,000 ministers. The same classes of Christians in Great Britain, contribute for foreign missions, $2,000,000 annually, and for home missions, an amount nearly equal those made in this country for the same object.

MASQUERADE BALL.--Another of these fancy parties comes off this evening at the California Exchange. New attractions are presented every evening, and all pains taken to render it a place of pleasure and comfort. The finest bands of music have been engaged, and the room beautifully and tastefully decorated.

AMICABLY SETTLED.—We understand that the difficulty between Mr. Joseph and Chas. Goldstein has been amicably and satisfactorily settled. The suit pending yesterday before the Recorder has been withdrawn. The matter has been finally settled, with satisfaction to both parties.

ARRESTED.—Mr. George H. Blinn was arrested yesterday morning for having a horse, saddle and bridle which did not belong to him. An affidavit was made to that effect by the person claiming the property, and the cause will undergo investigafion to-day.

COL. JAMES COLLIER.—We notice in the Steubenville (Ohio) Herald a call, numerously signed, for a public meeting to make "a proper reception of Col. James Collier. late Collector of San Francisco, on his return to Steubenville."

☞ During the year 1850 the whole number of clearances in the United States for California were 564 vessels, of which 174 were from Boston and 181 from New York.

☞ A clipper bark is lying at Cincinnati, with a full cargo bound for Liverpool. A similar vessel is building at the same port for San Francisco.

News from the Sandwich Islands.

By Gregory's California and Sandwich Island Express, we yesterday received Honolulu files to March 29th.

The ship Eliza Taylor and schooner Roanoke arrived at Lahaina, from this port, on the 20th ult., and the schooner Emiline on the 18th.

The ship Wm. V. Kent from San Francisco, made the run to Honolulu in thirteen days, arriving on the 24th ult.

The U. S. brig Lawrence arrived on the 26th ult.

Negotiations had been entered into between Monsier Renin on behalf of the French Republic, and the Hawaiian Minister of Foreign Relations, and the difficulties between the two nations, which threatened an open rupture, are now in a fair way of being settled In reference to the negotiations, the *Polynesian* remarks:

"From the fact that the Commissioner, notwithstanding his appeal for fresh instructions, will remain in the same capacity on the spot, exercising his powers and best endeavors to settle finally what yet remains to be adjusted, there is a well grounded assurance that every shadow of difficulty will soon disappear.

"All that is wanting is for France to restore harmony; for, on behalf of the King's government, they have never for one moment deviated from their policy of treating France, her citizens, and all their interests, on the footing of the most favored nation. That this wise and unresenting policy will be duly appreciated by the French government, is not to be doubted. But to crown all, King Kamehameha III, with a magnanimity worthy of a Sovereign, refers his claims for indemnity for severe losses sustained, without requiring the punishment of the authors, to the President of France herself; thus proving to the world alike his confidence in the justice of his own cause, and in the justice of Prince Louis Napoleon Bonaparte, in whose hands he places it.

"France, noted in all ages for her chivalry, cannot be insensible to the high compliment paid to her, in the person of her President, by the King of the Hawaiian Islands. Until the result be known, it would not only be premature, but disrespectful to the exalted character of the two personages interested, to prejudge the grave case which the one has referred to the other. Further comments at the present moment would be premature and in bad taste."

The birthday of King Kamehameha III, was celebrated at Honolulu on the 17th ult. with unusual honor. The Consular flags were displayed in the morning, and a royal salute fired at noon, which was responded to by the United States ship Vandalia. Feasting, family gatherings and loyalty characterized the entire day. The soiree at the Palace in the evening was most numerously attended. The rooms were crowded with the representatives of many nations, and a multitude of new faces gave additional proof of the great accession the foreign population of Honolulu has received within a few months.

The American bark Lydia Ann, Captain Bullion, which sailed from Honolulu for this port March 1st, returned there on the 21st ult. in a disabled condition, with four feet of water in the hold, and leaking about 6,000 strokes in 24 hours.

The schooner William was lost near Lahaina early in March. The *Polynesian* discourses most truthfully of the enterprise of Mr. Gregory of the Express. in establishing a communication with the Islands.

CURIOUS FATALITY.—In Genesee county, N. Y., Harman L. Randall was convicted of forgery. His offence consisted in having passed "bogus" coin as genuine money. Attached to his case is a very curious history, which we give for its illustration of the facility with which crime grows and multiplies:

The coin passed by Randall was part of a "pile" manufactured a few years since by Dr. Ackley, of Elba. Ackley was indicted for the same; and when the officers undertook to arrest him, he resisted the deputy sheriff with such deadly violence as caused his indictment for assault and battery, with intent to kill. For this offence he was convicted and sent to the State prison.

Ackley's bogus money was taken and deposited in one of the cells of the jail for safe-keeping. Randall afterwards became not only an inmate of the jail, but at times a sort of waiter, or assistant about the prison, and having access to the keys, discovered, and appropriated to his own use, a portion of this forbidden treasure. It was for passing some of this bogus to a Mrs. Lattimer that he was convicted. Mr. Lattimer having passed some of this money received from his wife, was last year sent to the State prison for that offence. We believe, also, says the editor of the Batavia Times, that another man (whose name we do not now recollect) was sent to the State prison through the agency of this same lot of bogus. Thus four men have been convicted of State prison offenses in consequence of it. The "pile," when first deposited in jail, amounted to about three hundred dollars, but by some means it has become "beautifully less," so that but little, we are glad to learn, is now to be destroyed by the sheriff, by order of the court.

TEMPERANCE IN RHODE ISLAND.---A law has just passed the Senate of Rhode Island, which prohibits the sale of cider in less quantities than ten gallons, in the towns of South Kingstown, Coventry, and Westerly. These three towns only were embraced in the bill, because petitions for such a law had been presented from those towns, and none other. The bill requires a majority of the voters of said towns, in town meeting, to accept its provisions before it shall go into operation.

MARRIAGE RITE OF THE MORMON CHURCH.—In an examination recently had in the Court of Common Pleas of Cincinnati, a woman examined as a witness testified that she was married to defendant in New York, he performing the ceremony himself, according to the rite of the Mormon Church, which the witness described to be a kind of geese cackling.

NEW YORK IN 1851 AND 1774.—A New York paper says building lots are now selling near the foot of Twenty-third street "at one hundred to two hundred and fifty dollars a foot!" In 1774, John Adams relates in his dairy that he drove out of the city three miles to breakfast with Mr. Scott, whose farm was where the foot of Twenty-third street now is.

CLERGYMEN PROSCRIBED.—The Committee in the Virginia Constitutional Convention, to whom the subject of the qualifications of members of the State Assembly was reterred, have reported a clause which disqualifies ministers of the Gospel and priests of every denomination from holding seats.

BY LAST NIGHT'S BOAT.

News from the Sacramento Valley.

Freeman & Co. brought us Sacramento papers last night.

☞ The *Transcript* gives an account of a lynching affair at Oregon Bar, on the North Fork of the American river. A man named Bill Hardin was arrested for attempting to steal a horse; was tried by a citizen's jury, and sentenced to receive fifty lashes, have one half his head shaved, and to be banished from the Bar, never to return. The sentence was immediately carried out.

☞ J. Neely Johnson, is a candidate for City Attorney of Sacramento.

LYNCHING AT MOKELUMNE HILL.—We learn the following interesting intelligence from a letter, dated at Mokelumne Hill, Calaveras county, on the 9th instant:

Two brothers, Wm. and John McMertrie, from Maine, pretended to have lost from 12 to 20 ounces in gold dust, and charged a man named Samuel H. Martin with being the thief, and under pretence of going before a justice, they started off for the river. As soon as they got out of camp, they stripped him to the skin, tied his extended arms to a tree, and beat him unmercifully. Not content with this, they hung him until he was nearly dead, to make him disclose. They let him down, but he told nothing. They were about hanging him again, saying with an oath that they would finish him this time, when some one passing interrupted them. Their money was subsequently found in their own till. They immediately left, and the friends of Mr. Martin are in pursuit of them. Martin is laying in a precarious situation. Trans.

AN ACT to Establish Pilots, and Pilot regulations for the Port of San Francisco.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

§1. It shall be the duty of the Governor to appoint two resident Merchants, and two experienced and resident Ship Masters, who, together with the Harbor Master of the Port, shall constitute a Board of Pilot Commissioners for the Port of San Francisco.

§2. The persons thus appointed shall take an oath for a faithful discharge of their duties, and shall hold their office for the term of one year, and until their successors are appointed and qualified.

§3. The Commissioners shall keep an office at San Francisco, and shall meet therein on the first Monday of each month. A majority shall constitute a quorum for the transaction of business.

§4 They shall appoint a Secretary, who shall hold his office for one year. He shall give bond, with security, to be approved by the Commissioners, payable to the State of California, in the sum of ten thousand dollars; conditioned for the faithful discharge of his duty, which bond shall be filed in the office of the County Clerk, and be for the use of the party aggrieved.

§5 The Commissioners shall make By-Laws and Rules for their own government, not inconsistent with the provisions of the laws of this State or the United States.

§6. The Commissioners shall have power to purchase an iron safe for the keeping of money, papers, books, or other things of value belonging to their office.

§7. It shall be the duty of the Secretary to keep correct minutes of all the proceedings of the Commissioners, in books provided for that purpose. To receive all money, and pay out the same when ordered so to do by the Board, and shall register the names of all Pilots, with the date of their licenses. These registers and books shall always be open to public inspection.

§8. He shall keep a monthly record of the arrival and departure of the pilot boats, names and residences of all pilots, and to perform such other duties as the Board may direct.

§9. The Secretary shall receive for his compensation, such sum as the Commissioners may deem just.

§10. Neither the Commissioners or the Secretary shall have any interest, directly or otherwise, in any pilot boat, or the earnings thereof.

§11. The Commissioners shall have power to appoint, in the manner prescribed in this Act, such number of pilots for said port as they may deem necessary.

§12. Persons applying for licenses to act as pilots for the port of San Francisco, shall be American citizens, and not under the age of twenty-one years, and in presence of one or more licensed pilots shall be rigidly examined by the Commissioners, touching their qualifications, concerning their knowledge of the management of square-rigged vessels, of the tides, soundings, bearings and distances of the different shoals, rocks, bars, and points of land, and night lights of the Harbor and Bay; and if deemed to be qualified, shall receive a license as a pilot, which shall expire at the end of twelve months.

§13. Every licensed pilot, previous to entering on his duties, shall give bond to the amount of five thousand dollars, payable to the State of California, for the faithful discharge of his duty, which bond and security shall be approved of by the Commissioners, and shall be filed in their office.

§14. The Commissioners shall have full power to suspend pilots, or revoke their licenses, on proof of incapacity or misconduct.

§15. As soon as a sufficient number of pilots are associated to keep a boat, such boat shall be numbered by the Commissioners, in the order of application, and her name and number duly recorded by the Secretary, and such number shall be distinctly painted in black letters, to be at least two feet long, an above the balance reef of the foresail of such boat; the pilots shall then select one from their number, whose duty it shall be to make reports to the Commissioners.

§16. On the first Monday of every month, the person so selected shall pay over to the Secretary the amount of per centage assessed by the Commissioners for the purpose defined in this Act, and report the names of the vessels, and the amount received from each, verified by his signature.

§17. Every pilot, on boarding a vessel, when required by the master thereof, shall exhibit his license to such master, and on refusal so to do, shall be liable to a penalty of fifty dollars.

§18. Any pilot absenting himself from his duty for more than two months, except on leave granted by the Commissioners, or by sickness, shall be considered as having forfeited his license.

§19. In case a pilot does not apply at the end of the time for which his license was granted, for a renewal of the same, he shall be considered as suspended.

§20. If any licensed pilot shall become intoxicated whilst having charge of any vessel as pilot, he shall be suspended or dismissed, as the Commissioners may elect.

§21. Not more than six pilots shall be in copartnership, or interested at any one time in the business of piloting, and for any infringement of this section, shall be subject to such penalty as may be determined by the Commissioners.

§22. The Commissioners may require pilots to renew their bonds and securities whenever it is deemed necessary and they may take away the license of any pilot for wilful infringement or violation of their duty, or negligently losing any vessel, or for mental derangement, or habitual drunkenness: *Provided*, due notice in writing be given to such pilot, and an opportunity be afforded him of being heard in his own defense.

§23. For carelessly or negligently losing a vessel, on conviction thereof, the pilot having charge of said vessel at the time, shall be incapable ever after of acting as pilot, and shall moreover be liable for damages on his bond. If a vessel be run ashore by a pilot, no pilotage shall be charged, and if negligently done, the pilot shall be liable for all damages.

§24. It shall be the duty of every pilot in charge of a vessel arriving in the harbor, to have the vessel safely moored, in such position as the master of the vessel, or Harbor Master of the port may direct.

§25. When complaint is lodged with the Commissioners against a pilot, for misbehavior or neglect of duty, it shall be reduced to writing and sworn to. Notice thereof must be then given to the pilot, and he shall be notified to appear within fifteen days to answer the complaint. If the answer be not satisfactory, he may be fined not exceeding five hundred dollars, or deprived of his license, at the discretion of the Commissioners. An appeal may be made by the pilot within fifteen days from the decision of the Commissioners, to the County Court of the County of San Francisco.

§26. Each and every pilot boat shall keep on board a journal, noting in detail all incidents of weather, and all discoveries which may be made of rocks, shoals or bars, in the Bay of San Francisco and vicinity, such as may be considered dangerous to navigation. False entries therein shall subject the parties offending to fine or loss of license, or both, at the discretion of the Commissioners. And the said journals shall be open to the inspection of the Commissioners.

§27. No persons, except those licensed by the Commissioners, shall pilot vessels in or out of the harbor or bay of San Francisco, for hire, under penalty of five hundred dollars for each and every offence. AN ACT regulating the Quarantine of Vessels at the Port and Harbor of San Francisco.

The People of the State of California, represented in Senate and Assembly, do enact as follows.

§1. The quarantine anchorage shall be designated by buoys to be fixed under the direction of the Health Officer, and shall be as near as possible to the Marine Hospital; and every vessel subject to quarantine shall anchor within them.

§2. Every vessel in this act directed to be subject to quarantine, shall immediately on her arrival, proceed to and be anchored at the place there assigned for quarantine, and shall remain there with her officers, passengers and crew, during her quarantine, subject to the examination the Health Officer or Board of Health shall lawfully impose.

§3. All vessels arriving in the bay of San Francisco, from sea, are declared to be subject to such quarantine regulations as are prescribed in this act.

§4. All vessels subject to a regular quarantine shall, if navigated by steam, be subject only to such length of quarantine and other regulations as a majority of the Board of Health shall enjoin.

§5. The quarantine of other vessels shall be limited by the discretion of the Health Officer; but unless under special circumstances and with the sanction of the Board of Health, it shall not exceed the time requisite for a due examination of the vessel and cargo, and a compliance with the regulations of this act.

§6. It shall be the duty of the Health Officer to board every vessel immediately on her arrival, and make strict search and inquiry into the health of the crew and passengers, and into the state and condition of the vessel and cargo; and in the discharge of this duty, he may put all such questions to the persons on board as he shall judge necessary and proper to enable him to ascertain the condition of the vessel, and the quarantine to which she ought to be subjected; and the persons to whom such questions shall be put, shall, if required, answer the same under oath, which the Health Officer is hereby authorized to administer; and the Health Officer shall make a daily report to the Board of Health respecting every vessel that he shall visit, and containing all such information as may enable the Board of Health to determine what measures in respect to such vessel ought to be adopted.

§7. When the regular period of quarantine has expired, if the Health Officer judge the vessel and cargo free from infection, he or the Board of Health shall relieve the vessel from quarantine.

§8. Every vessel subject to quarantine must be designated by a quarantine flag, to be fixed in a conspicuous part of the main shrouds of the vessel, until the expiration of her quarantine.

§9. No lighter shall be employed to load or unload vessels at quarantine, but by the permission of the Health Officer, when they shall be subject to such restrictions as he may impose.

§10. No vessel subject to quarantine shall remove from the quarantine grounds without a written permit from the Health Officer.

§11. It shall be the duty of the Board of Health to provide a building, at a safe distance from the hospital buildings, on the hospital grounds, for all passengers of a vessel or vessels placed under quarantine, who are not diseased, who may choose to go on shore; and those who are unable to maintain themselves shall be provided for by the master, owner or consignee of the vessel, unless in cases where a special agreement to provide for themselves during the voyage has been entered into, in which case they shall be provided for by the Board.

§12. The cost of erecting such buildings shall not exceed twenty thousand dollars, and the weekly charge for pay patients shall not exceed twenty dollars per week; the accommodations shall be of good quality, and such as are usually provided for at boarding houses.

§13.
